

Appendix D

Study References

Listed below is a partial listing of publications that may be helpful study materials for the CPAN® and CAPA® examinations. After carefully reviewing the test blueprint and identifying individual learning needs, examination candidates should identify additional references and study opportunities as necessary.

CPAN® AND CAPA® REFERENCES

- Alsopach, J. *Critical Care Core Curriculum*, 6th Ed. American Association of Critical Care Nurses, 2006.
- American Heart Association. *ACLS Provider Manual*, 2005. • (Please note: the most up-to-date (current) ACLS and PALS manuals are used as a basis for examination questions)

Steele, S. *Ambulatory Anesthesia and Perioperative Analgesia*, McGraw-Hill Company, 2004.

PRACTICE EXAMINATIONS

CPAN® and CAPA® Practice Exams are available on-line. As of July 1, 2010, new practice exams have been developed for both the CPAN® and CAPA® programs. You can take an on-line practice exam whenever it is convenient for you, using any computer that can connect to the Internet using a Microsoft Internet Explorer™ browser. Visit www.cpancapa.org, click on the Certification section and Practice Exams.

ASPAN: **877-737-9696**

Elsevier Health Science (formerly Mosby Year-Book): **800-325-4177**

Elsevier Health Science (formerly WB Saunders and Harcourt): **800-545-2522**

American Heart Association Fulfillment Center: **800-611-6083**
